## Enthuse setting up a Fundraising Page

If you are fundraising for Food Train, we recommend setting up a free, online fundraising page to help you spread the word about your challenge and for your nearest and dearest to make a donation.

How to set up a fundraising page

1. The first step is to go to this page:  
<https://thefoodtrain.enthuse.com/cf/knit-a-thon>
2. You've then got a choice to "[create a team](#)" or "[fundraise for us](#)" you will find these buttons at the top right of the page. The "[create a team](#)" option means that you can invite people to join the team and set up quite a general fundraising page.
3. You will need to set up a profile on Enthuse to enable you to sign in and manage the page.
4. It then takes you through some simple steps to set up the page – giving you the option to say why you're fundraising for Food Train and add pictures.
5. Once your page is finished, copy the link and start sharing your page with everyone you know!
6. Here are useful links to Help pages
